the suggestions that tapping a humbucker gives a

>> decent Strat sound. I tried that in 1978 and it sucked. i tried it

>> again about every 10 years since and it sucked every time. Can it have

>> stopped sucking in the new millennia? I doubt it.

>

> Not identical to a strat sound but similar enough to play that spanky role.

>

> Actually I think the PRS does it by combining inner and outer coils from

> the two different pickups in various combinations. I had an Ibanez

> Roadstar II that did it by splitting the coils on either pickup with any

> PU combination available. I could get spanky tones out of both. Not

> exactly a strat but no suckage either.

>
