e never wanted to be

a moderator. I'm much the same, and I think the spirit of the group has always been that we sort out our own issues amongst ourselves without a moderator.

I think this has worked well in creating a group of people who are open and honest with each other, but recently we've struggled with a lot of this stuff.

I'm also half pondering creation of a Paris NG usage policy of some sort, which gives a guide to decorum and approach which is expected. That's just food for thought at the moment.
