I cards in new condition just in case anyone was interested. I will take either one or two output cards if you've got them. Please let me know I can pay with PayPal thanks please respond so I know what to do PM Sent WOW I haven't visited in years, glad to see the forum is still active. These were removed from a working MEC years ago and I found them in a box of computer parts. Would like \$200.00 + Shipping in lower 48. This is f
