hat did Kanye send? His mouth?

Not a WORD from you or Kanye on the corrupt mayor of NO and his abject failure to lead, or even get a few busses up and running to save lives? ooppss can't say that, he's black.

Maybe that is part of the problem? Just a thought.

And at the end of the day, you are a jew who hopes they don't see you as part of the zionist ownership of america, so you don't tell the truth, and you stand here and represent to us, despicable lies and slander. And fuck me...

Ok man. but I won't treat you as you have treated me.

You should be ashamed of yourself.

DCHey Deej,

In deference to Kim's request, I moved the thread to general.

My dislike for Bush is of the highest level-he is a disconnected Liar and
it will always be a time of crisis with him in office.
the only person I dislike more is Cheney.he actually knows the
evil he is causing and doesn't give a shit.
All these people do is Lie and they don;t care if they do/

Just to spin it their way. I'm not saying that the mayor,gov,
aren't at fault-I'm saying leadership starts at the top and
we have a lousy leader.
as far as all the other shit you said about me-well i could care
less
JMHow many of you support the backwards US flag on the military?

Personally I dont buy it. If the flag is supposed to flow in the wind,
they should have put the patch on the left shoulder.

Messing with the flag alignment just doesn't seem logical to me... in fact
I find it disgusting.

Of course the Bush apologists will think a backwards flag is fine. Sorry
but I've never seen any other empire reverse their flag before on a uniform.
Excuse me if it seem

hey must push the blame somewhere else, so

they tell lies about the president, while not doing a DAMN THING to help anyone in NO.

These people. Kanye and the racists, are two side of the same person. Both full of sh*t. If there was ONE black hero, (and there were hundreds) then the evil in NO was not Bush or the white power structure, it was the evil in the criminal's own shriveled little hearts. But to admit this, is to give an inch to the racists, so we tell lies.

Here's the truth. The failure in NO was entirely due to the corrupt mayor and his 255 school buses and the incompetent sobbing governor. Could FEMA have reacted faster? Yes, but not by much and Bush is only to blame if he does not fix FEMA.

Jason and Kanye, and the whole lousy bunch of liars here are so short on facts that they must tell bigger and bigger lies and get angrier and angrier to cover up their dishonesty. It won't work.

BTW, just for the record. I believe in reparations. Every black american would get free college or trade school with living and food paid for. Just in case you think I am a hard rightie... No money though. No handouts.

And you if think I am pissed, read this guy:

Take care of yourself.

DCYeah, remember hom sitting on the turntable and spinning around?

Man we are old...
