do to the scsi cable issue. I need four new ones.
>I am =
unable to=20
  get more than one EDS card working WITH the 442.
>Not sure =
why. =20
  The ribbons are all wired correctly.
>
>I'm off to a =
hellish=20
  gigging weekend. No more time for hell in Paris.
>Thanks

cable and=20
another card. Put different modules in the MECs so=20
you
=3D
