i do care only about the lives. at several points i  
pointed out how i believe we all want the same (among  
other things i mentioned this as reason why i dont belong  
to the george-bush-is-evil-group). i do find the  
ideal way to this common goal open for debate.  
you obviously disagree on this one. its a little weird  
why you would enter a debate about it anyway then. is it  
just to spank my ideologic european ass?
