until I told him the
que mix was POST Paris . That dropped his jaw Ha Ha. Good fun with 10 year
old gear...tribute to the creators.

some trepidation (I don't have outside producers working in my workspace very often) - and although we had access to lots of good rooms - I'd convinced him my own space and PARIS were worth a shot. So the day came and we set up and started getting sounds, and Shawn popped the headphones on and off a few times, with mounting concern, and said - "I know what this system's **supposed** to do - but p
