Seriously Deej. That says alot. =20

Good to know there are upstanding business owners doing the right thing even if it cost's them short term. He probably knows which=20 employee is responsible by the numbers you've given him.

I bought one back in October and have been too busy to unbox it =  
until today. Terrible QC. Surfaces were predrilled exactly backwards and =

hardware assembly components were missing. It would have cost me more in =  
time that it was worth to box it back up and ship it back so I redrilled =  
it and went to Home Depot because I needed to finish this project, but =  
I'm pissed off and would never buy another one of these. It's a good =
