It's that damn, cheap, Chinese lava... no quality control!

lolHey I know I'm late to this party.. But, I would recommend the following:

-For Live playing:Godin A6

-Or add a Fass Tremolo to your electric

bad for me. =20

Gotta make a living. =20

My stereo amp is in the shop where I am sleeping and exercising.
When it comes back I'll be doing some big time listening.

Any tips from friends here would be great regarding healing
and/or music productivity while healing would be great.

I'm down but not out,
Tom
