ught after if this sounds like an original, which I
suspect it does. Just clicking through the presets was a great experience
and I found one that absolutely nailed a vocal track to the wall that I've
been wrestling wi

Yeah, I certainly don't have enough hardware. Then there's that little
problem of being side-tracked actually using it to make music... ;-)

Doug (Ten EDS cards, seven MECs, five C-16's...)

<http://www.parisfaqs.com> i'd be happier if you were a girl but at my age (and 34 years of
marriage)...ewww...never mind.
