nto either a 3.3  
volt OR Universal 32-bit PCI slot.  
I found a great PDF on the subject - just a couple pages. If anyone would  
like me to send a copy, give me your email and I'll send it.  
Hope that helps.

JohnI just finished an album of Bach Minuets for my friend yesterday and it came out fantastic. 1 mono audio track for narration, 1 stereo audio track for my motif keyboard to play through and 2 midi tracks. The first midi track is called tempo 120 and the 2nd is called tempo 90.

We recorded each song in midi, on the first midi track then copied the event (song) to make a left hand part. Using the mute tool we muted the midi notes to get a left part (right if it was easier). Then copied that midi event again to make a right (left if we did right earlier) hand part. On the "right" hand part we zoomed all th
