thatthere is not one manufacture other
than

> Digidesign that want's to producer a DSP based DAW?? It's almost 6 years

> since the plug was pulled on Paris! Yes, I did not forget about
Soundscape..

>

> My Point in this post is to bring to ligh that Paris was a product that
served

> the "Middle ground" studio. Now, looking back, it's price point was
revolutionary.

> AND That's
