-----=_NextPart_000_00B3_01C790EF.49585E20--I was absolutely thrilled with the Denver trip,
and had a blast for the
entire trip. You guys all made my time away the most enjoyable. Thanks for
sharing a cool hang with me.

-date AR4 fig 4. So... they are lying to us by omission.

The troposphere should warm faster than the sfc, say the models and basic theory. As indeed it does - unless you're wedded to the multiply-corrected Spencer+Christy version of the MSU series. Christy (naturally enough) features in this section, though he seems to have forgotten the US CCSP report, and the executive summary which he authored says Previously reported discrepancies between the amount of warming near the s
