y to track the cause of the failure but try that for now and let me know if it works better.Hi Mike,

I received your PM but can't send a PM to you. I accept your offer on the 8-out card.

Please send me an email so we can work out the details.

wayneandpaula@audio-audition.com

Thanks,
WayneHi Mike,

I'm interested in the EDS-1000 Cards and the UAD 1 card.

Will you ship to Australia?

You can email me at

to a friend there.

I can try to get an estimate, but it'll take a me a few days, I'm crazy busy.

Just to be clear, you're interested in the whole package as listed above, for $925 + shipping, yes?Yes, that's right. And maybe as an option, with just 1 MEC instead of 3 MEC's?Hey everyone!

New PARIS user here. I'm searching for anything you might be selling, but specifically

ce as well

Just throwing this out there to see if there are any bites

Thanks!I still have all my stuff for sale - my classified is one of the more recent. I haven't used it in probably 10 years. Don't know if that's good or bad, but it was all w

Control 16-Black. 2 available. $75 each

These are the black control 16s for use a with an Ensoniq Paris system. They were only used occasionally in my home studio. They were working perfectly when I last used them, within the last year. They are in very good condition. They require a cable to connect it to the EDS c
