through a BLUE Baby Bottle.

The other singer is sounding better through one of the Claytor DIY mics that DeeJ sold me. It's definitely going for a Neuman sound, but don't have quite the high-mid zing that ten

properly in the photo FWIW, but I'd confirm it.

Don't buy a cheap power supply, get something decent. Ditto the RAM. I buy only Crucial RAM (www.crucial.com) unless a mobo manufacturer specifically demands something else.
