Hmmm...actually, I now that I've started thinking about this I seem to recall that that he did cut at least two and maybe three albums and I think Warner was the label. Everyone was partying so much during the 80's, I don't remember parts of it....;oP. The first one was the major opportunity for rock stardom though. He wrote one of the songs in the movie Arthur, or Tootsie or somesuch kinda' movie as well, IIRC."Neil" <OIUOIU@OIU.com> wrote:

emo work, there is no intent to sound different, there is simply incompetence. In those cases, the client and the end users don't want it to sound they way they actually performed it, so have at it.

I reach for those sorts of tools as a last resort only, much preferring to ask them to do another take.

DCHe was a client of mine when I was at Westlake Audio...

small world.

Nice guy.

DCOK--I spoke to Jamie--it's Tai food Thursday lunch and Mexican Friday (or vice-versa) at a couple of our favorite joints--and a trip to Jamie's setup and both of my locations. Everything else up for the spur of the moment...???
