out this kit will be the cymbals...no doubt they will be mediocre at best and imagine the hardware will be so-so but for \$300 you really can't go wrong.

Let's put it this way I'd have no problem buying this kit for my son...if he was three years old

Sales trick to get you looking and hooked. You can blow a nominal amount or a boatload on cymbals, but you really do get what you pay for on that item.
