I loved the vibe, the vocal and the simplicity, for want of a better term, plus the intro really sucked me in.

The only minor thoughts I had were:

1. You could mangle the verse vocal a tad for more mystery factor - I noticed a bit too much contrast between the chorus and the verse
 2. The snare is a little bright for me
-

3. The snare 16th at the end of every other bar is repeated too often (for me).

But those are **very** minor quibbles. I reall
