n.

And now you are blatantly, verbally attacking me with abusive language. That is uncalled for and hardly a reasonable response no matter how badly you hate PCs, MS, or PC users.

My contribution to this thread was nothing but a link and a suggestion for a balance the perspective.

That's it. And the thread was started from a spoof name, so how was I to know it was "YOUR" thread??

I didn't know anyone needed an invitation to post here, and I didn't know people owned

their own threads. In all the years I've participated on this forum, I've never seen such a visceral

response from anyone on such a silly topic, yet you have jumped into virtually every thread you

could steer to a Ma
