r secure payment forms in 2022 is not an unreasonable request for higher amounts. Had we done business

Again... best of luck selling your items.First, I had interest in EVERYTHING you had listed for sale, I'm rebuilding a very large PARIS system and need cards ASAP. I do need to consider shipping costs and import duties as costs add up fast getting items to me. I asked about a bundle of cards, had that transaction went well I had planned to grab the remainder of your items. If you read my other posts on this forum you would been I've been searching for PARIS parts for a while and I'm wanting to build a 4 card system with all the I/O for the system.

Second, you then would only sell me select cards per EDS card. So while you list items for sale, you have stipulations for what items you will sell together. I had no terms outside of asking you about secure payment forms. You said bank transfer only. I accepted that and moved on. I had hoped you might change your mind as I still need cards.

Third, I'm not in the US, was not raised in the US... but I do have a US address for easier shipping for most transactions. Please don't judge me, as you know nothing about me. In the end people judge others based on themselves.

Fourth, I don't know you, thus asking for secure payment forms in 2022 is not an unreasonable request for higher amounts. Had we done business

e MEC (black)
(2x) Interface 2
cables
manualsHello all, I'm still looking for PARIS items... if you are selling anything please contact me.I've collected a lot of Paris parts over the years and came to the realization that I need to downsize, especially as I'm looking to record/edit in Pro Tools and mix in Paris, so I'm looking to sell my all analog MEC, which has 3 EDS-ABiT-24 and 1 EDS-ABoT-24. Hoping to sell all of it together. Looking for $450 with 1/2 shipping. Thanks for looking.
