d studios). I mainly use these on drums and they are so great!
> I placed them on my drum tracks and didn't even have to adjust much...
and
>they take that rough acoustic noise in the drumset and remove it, compress
>it along with the clashing cymbals... Just thought I'd share it with ye'all!
>and that's true about 95% of bands that go into a studio...they all be
great.
