>Nappyl thought this was the Cubase SX news group? Just kidding! Hey Nappy!, we just get bored from time to time, don't mind my stupid stuff. We talk about everything here now, so if you have a good subject post it. If it's about a DAW, definitely post it. We can always talk audio.

You have friend here. People here care about you and genuinely care about you. Your one of the last Paris Mac resource here, we need you to contribute. Take a break if you must but don't say goodbye forever.
