Magma=20

working=  
mecs.<BR>&gt;It didn't a couple of days ago.<BR>&gt;<BR>&gt;I'm =  
digging=  
deeper into the way the cards are seated now.<BR>&gt;I will check =  
the Magma=  
with one card and one interface at a=3D20<BR>&gt;time.&nbsp; Maybe =  
the scherzo=  
drivers are screwy from removing=3D20<BR>&gt;and reinserting the =

=3D20<BR>&gt;<BR>&gt;This is amazing how one little thing can ruin a =
