st go on believing that, pally.

But seriously, Hey, dammit, I've been BUSY!!! In any event, one of the guys in this band I'm tracking brought his digital camera yesterday & took a few snaps... now I just need to get him to e-mail them to me & I WILL SEND YOU ONE!

Tomorrow, though, I should have some mp3 files to post... getting some really nice sounds with these guys & the drum kit is coming out fan-freakin-tastic. Tomorrow we're off from recording & resume Friday, so I think I'll have time to post an mp3 or two of the basic tracks with signal chain info for those who might be interested.

Six tracks of rhythm guitars using three amps, bass is nice & thick, and attacky & gooey at the same time, drums are slammin'. Sounds like a mix without even being mixed.

That's the way I like to record!

Neillt's all debatable. I think the cold war still brews between these t
