k of specs =

locatable on the=20

net about these guys... I don't want a cab that can't get =

anything under say=20

90hz... that'd suck.

Hemp cone, eh?

I wonder if they'll just lay around eating Cheetos, watching TV =

and react=20

sluggishly when I ask them to help around the house or get a job =

:)

We agree on the alnico/ceramic debate. Like Alnico in a pickup.. =

not so much=20

in a speaker.
