acs pretty heavily at this point, among other platforms), but his sense of humor was not a problem for me. His first jokey responses missed the point that there actually had been rumors going around about the Apple pro apps. I wouldn't expect him to know that - he doesn't really follow Mac news, I'm guessing. But his responses to the anon posts were funny. BTW, I don't think there's anything to those pro app rumors.

I agree with Don that music is gear agnostic, to an extent anyway. But the fact is we all came here to discuss gear and computers, for good reas

Here's the plan.

We're all going to chill for a bit. I've had a few emails from a few people, and I think we all acknowledge that the group has been lacking decorum as well as On Topic posts.

So unfortunately I'm gonna get all moderator on you all. Later today the groups will be renamed as discussed to make it clearer where you can and cannot post certain things. This will hopefully clear any off topic debates and tension from the main group at least. Furthermore, I plan to start deleting or moving posts or threads for a short time as appropriate, and it's not impossible that I will look, at least temporarily, at asking or forcing certain people to refrain.

In a recent email with Chuck he commented to me that h
