That guy used to live here until he got pretty well-known in the past few years, and got sick of people driving by his house & staring in & peeking over his fence, etc, trying to catch a glimpse of the famous guy lol I think he retreated to Santa Fe now.

NeilActually Don, there is a smear campaign going the other way, financed by special interest money (largely Exxon). Meanwhile the facts and evidence are with the scientific consensus (which is why it is a scientific consensus).
