only
doing challenge-response codes one day a week, so you might have to be
patient. I just sent an email myself and the woman I talked to on the phone
promised to pass a message along to him as well...

Doug

<http://www.parisfaqs.com>I really wonder why ID doesn't just make it a free download. I can't
imagine
the revenue stream from 3.0 upgrades or purchases justifies even the time

spent doing the challenge-response thing.

In a perfect world they would GPL it, but I'm guessing that there are IP issues with various other parties that prevent that even if ID wanted to, which obviously they don't. But imagine PARIS being the basis for the first truly great, truly free audio application. Wouldn't that be something?
