tuned.....bitching and whining to be announced.  
>>

>>

>

>Well.....no workee with the Magma aND IRQ assignments and getting squirrellier by the minute on current OS. I ghosted it and pulled the drive. Now I have got a brand new WD 80G 8MB cache formatted and I installed Win XP. Immediate problems with my Matrox graphics cards right after I installed the VIA 4in1 drivers for the mobo. It's gonna be a hellacious weekend I'm afraid.

;o{
