he was excluded from the recent
Fox Republican debate (I love Leno for that) and he said he would pull
every soldier (about 1/2 mill) we have on foreign soil back home and
save us hundreds of billions a year. We don't want to and frankly can
not afford to be the policemen of the world.

Meanwhile McCain says he will stick in Iraq for the next 100 years if it
takes that long. What the FUCK! That is the stupidest statement I have
heard form any candidate. I'd vote for Obama over him.
