Hello everyone,

Here you can see what I'm looking at from my home in Kvernaland, =
Norway right now about 9.45.PM. I have some wonderful pictures when the =
sun is going down from the same place, if someone want to see them too.

I lived on this place from '70 'till '84 and travelled back this =
spring to be with my grandchildren and children again in the same area =
where the
