250 euro Happy New Year all

I am at a point where it would be a good time to set up a PARIS rig for myself

Loo

ut board if he had one, but he suddenly went dark on me and removed the international postage. So this is for somebody in the US.
I did ask why there was

x.php?t=getfile&id=1105&private=0" />What is your outlook on international postage?

I'm interested in more Paris gear.
(just wanted to let you know that your photos are real
