ause I don't want to help spammers evolve and adapt) is pretty good but isn't foolproof, so I err on the side of caution.

[To be clear - this is an inclusive place, with all Paris users welcome: no application has ever been deleted for any reason except suspicion of being a potential spammer or bot]

This all serves one sole purpose, which is to keep out spammers, so if you're a legit Paris person and your account application was misidentified, go ahead and drop me a note and we'll sort it out fast.

- Kerry

We've been seeing login issues specific to particular browsers, so if you are having login issues, try Firefox, Chrome, Safari or Opera and see if that helps.
