I've been thinking about trying out one of these guys that does his =
drummin' thing via the internet. Seems to be a fair number of choices. =

The rates, from (so far) a low of 80.00 per track to a high of 120.00, =

seem very reasonable. Have any of you tried out this kind of service? =

Have you worked with anyone that you'd recommend to a fellow Paris dude?
