o know if you have really used the newer generation of SE

>>tube

>>>>mics enough to know them well.

>>>>

>>>>I have a friend with at Telefunken branded U47 about 1 mile away. I do

>>not

>>>>have extensive *hands on* experience with this mic, as in using it myself

>>>on

>>>>my own projects, but I have definitely been present in sessions where

>it

>>>was

>>>>used and have heard it used on many sources that I am familiar with so

>>I

>>>am

>>>>not totally alien to these. As for the Gemini, well, it's certainly Chinese,

>>>>but it doesn't sound cheap or childish, at least the one I have here...and
