Please considerate of the face value of the products. Thank you, SteveHello!

Have you sold your adat card? I'm interested...

Cheers,

Suad

Well, by the areacode I see you're from Oregon. I'm from Croatia (Europe).

Do you have any idea how much is shipping to 10000 Zagreb/Croatia.

...some cheap option like standard airmail or so.. (USPS...)

would you email me some pictures of this adat card. (front, back, board... i must see it's cosmetic condition)

How old is it? What is the serial number, assy revision and part revision?

- you can find this info on the component side of the board near sync connector..)

Email: suad@sail.hr or suad@indigo-audio.com

Thanks,

Suad

1 8 out card \$275 + Shipping (OBO)  
1 MEC \$100 + Shipping (OBO)  
1 EDS-1000 \$150 + Shipping (OBO)

I will include the MEC/EDS connectivity cable & standard power cable for MEC. I think I also have the original box for MEC and EDS card. All gear is in great shape and used only in my non-smoking studio. If you are interested
