1 Black ADAT card \$225
1 Blue MEC \$125
1 Black C-16 \$75 some scratches but fully functional
2 EDS cards \$225 each
3.0 License \$125 must be transfered with an EDS card
Just a heads up guys. I bought from Gary very recently. He's got his game on, was fast, smooth, fair, well-priced and I was shocked to receive a shipment from him the day following my paypal payment. The item was exactly as described, was WELL PACKED and I couldn't be any more satisfied. He's worth his asking prices -- his stuff is in excellent condition -- buy with confidence.

to buy this and
send me a money order, but he's totally flaked on me, so this is up again.
You might want to watch out for this guy, as he won't respond to e-mails
and such, either.

1 Paris ADAT card with connectors

1 Paris MEC (Blue)

1 Paris C-16 with cable (blue)

3 Paris EDS cards (1 is brand new in box, from the Emu blowout)

I also have two copies of Paris 3.0, which I got with the EDS cards. I'm
not totally sure how these transfer, but they are up for sale.

I'll take offers for the next few days and get back to the high bidders on
each item. Everything is in great shape and working fine, although I've
never tested the new EDS card.

Just remove the 'nospam' from my e-mail.

Thanks guys!
