Duuuuude!!! Everything should be made from hemp. If it ain't hemp, it ain't hip! I am working on an alternative fuel made from hemp right now. It seems that you can burn this stuff and pipe the smoke into a sealed room full of kids.....they will, in turn start eating copious amounts of vile junk food and eventually start emittin

Is this something I should even do?

Since I can do it, will I die if I don't? Nice, Steve--my wife and I have our 28th
in October... :)
