Hey Paul,

I'll take one 442 and if you can, put a hold on the second one for me. I have to try it out to see if it's gonna fly with my system. Is PayPal ok?

Please put a hold on the MEC for me. I'll probably buy it within the = week.

It's black and beautiful right?

I'd love to have just the omni capsules for the Oktavas if you'll = separate.

If so how much?
