my website.

www.ensoniq.ca I'm running 3.2.

verbs I got from you yet. Which brings up the question. What's the difference
between the DP/4 Hall and the DP Pro Hall?

Thanks,

TedThis is the moment I've been looking forward to since I started these plugins. I just finished the DP/Pro hall for PARIS.

I think this one speaks for itself. The best part is the sound. The second best part is that you can run four of them on one card. I'll never understand why this didn't come with PARIS in the first place.

There's a demo on
