here
can I find documentation?" or "can we at least get the Wiki a meaningful
domain name like www.PARISWiki.com or something???"

Let me know. I'm no expert, but I can at least find out where to find out.

- KerryHi

I got paris running on xp with a motu midi time piece.
The timepiece receives mtc, according to the routing tool.
How can i have

the motu set out a clock on a output from the incoming mtc
signal?

Cheers,

Denniswhat proceder and steps will eliminate latency with waves mercury-thanks-JoeThis is a

Dennis,
You should post this question at IDEA.EMUEnsoniqPARIS
That's the busiest Paris newsgroup.

I still wanna sync my midi hardware to paris.
Can anyone help me out?
