A friend of mine bought a used remo junior drum kit..four piece and it was perfectly sized for a very small kid and didn't sound too bad at all.

You might look at ebay under ludwig junior drums or possibly look at an electric kit, the added bonus being they're quiet.

my \$0.02 CDN

> Yeah, I'm a little concerned about the size. Those junior drums look
interesting. It looks like I can get them new for \$300. Thanks
