oes. There may be hardware configurations that don't

>>like what I've done. But, my IF2 now work, and it wasn't working well

as

>>of the last build.

>>

>>I hope this clears up any questions about what I'm doing. I'll try to
package

>>these changes into a proper installer once I'm done building, which will

>>probably be soon. I think we're almost there.
