question 2...it truly (to me) depends on what you're (not you) trying
to sell. again, it's the way i was built. if something is that's good
as do unto others as... the no other explanation is necessary as that
is good enough for me. i don't need daily "miracles" to convince me.
what i do (as me) require is...here's life...you be the judge. the

pelled to make it after our own design.
something we can understand when truly we can't. we can site phrases
like "only god know" or "he works in mysterious way" or don't question
the ways of the lord' because we then don't have to (as god in his
devine wisdom) endowed us to...is to ask why.

what kind of parent wants his or her child never to ask a question. to me, asking doesn't imply disrespect of what is. it says i've got the brain you gave me so make me understand; i do. do unto others...plain and simple. you do that and there is no need for anything else.

bottom line...believe what you want and let me believe what i want as neither is going to convince the other of thier righteousness and quite frankly i'm very happy that you don't follow my beliefs.

peace and happy easter
