th fewer hours on it than what I have to offer!! The MEC has been boxed, climate controlled, on a shelf in my non-smoking home for most of it's life. Only 7 projects were ever completed on the bundle I owned. After many years, and for various reasons, it never really got used. I hope someone here can reap the benefits.

The pictures below show I/O cards in the MEC, however they are NOT included as they were previously sold, so all blank panels have been re-installed. Other than one minor scratch on the bottom of the MEC as seen in the picture below, the unit is flawless. It is in the original "bundle" box it came in, though not

and zip in your message/email). The MEC is already securely packed in it's original box, well protected, and ready to ship!

I will take payment through PayPal only, please.

Thanks, have a great day!!
