Honey, I respect you for trying to fit in with the guys, but you gave yourself away when you said a "black" J-bass. You specified the color. Us guys, we don't understand about color. We don't know that a black bass is slimming. We don't recognize the inherent elegance of black nor how flexible a black instrument is with any outfit, style of music or gig. We think a lime green or purple J-bass looks freakin' cool with anything we're wearing.

BTW, the year I live in it's "bitches", but gentlemen like
