Is that Dollars or Euros?

I have a friend here in Australia that may be interested, especially if it's still free shipping to Aus.

Cheers,

Kim

135 dollars sorry wrong conversion to euros, it is around 120 euros. Including shipping to anywhere.

Regards,

DimitriosHi Dimitrios,

Does it include a cable to connect to EDS-1000?

Thanks,

Pete

Buyer pays shippingHi Mike,

For some reason I am not able to PM you. I get an error message on your username.

Can you PM me please?

Thanks,  
Brian TThanks for your reply!

I have sent you a PM Hi Mike,

No worries. No matter what I do, the forum software will not let me PM you. Says "No such user in this forum" even when I hit Reply to your message in my Inbox. Weird.

I'm interested in your MECs and ADAT card. I'm not sure if you're trying to sell the whole set as a single system or not.

Please let me know about that along with what you would want for one or both MECs and the ADAT card.

BTW, what color are the MECs. Not critical, just wondering.Hi Mike,

I'd like to purchase your 8-out card. I will try a PM. Hope your receive it.

WayneHi Mike,

I tried a private message also and had the same problem as Brian.

I'd like to buy your 8 out card. How much plus shipping to Las Vegas, NV 89123 USA?

You can send info to:wayneandpaula@audio-audition.com

Thanks,

Wayne I have no idea what's up with the PMs, but messaging user "Mike Mullin" without the quotes (and with those capitals) seems to work better than the auto version which seems broken. I'll tr
