our grammar and syntax?

and others?

well

do not?

Yeah, me too...

DCIf I don't finish these damnable proposals and get away from
this steenking computer soon!

GRRRRRRR!

DCNo wonder you're so messed up.... ;-)

David.

f those a few years back. 22kw RMS, a huge
center cluster just over the center field fence... fun stuff
I'm dialing it in during batting practice for the first game with
baseballs dropping around me...

It's not a life, it's an adventure!

snork

Good luck with your project.

DC
