-----=_NextPart_000_003C_01C6C513.0CBE81E0--The reason I'm so disappointed in Clinton is that during his whole administration, I was wanting him to do the things he needed to do.....and I watched in fcinated horror as he fucked up again and again.. Even an insignificant, regular old citizen like me could see what needed to be done and he couldn't????.....and I was right!!!!. It just blows me away. I wanted to believe that I was missing something and that this Rhoades scholar superdude/great national hope knew more than I did. Well, he turned out to be the bitggest dumbass we've ever elected and his oversights brought us to 911.
