>And this is why most power users have moved to the crack! We PURCHASE the software, not rent it! ID's rules and business tactics are ridiculous and that is why THEY are dead with the audio world. And this is also why most proprietary software DOES NOT WORK! Get the crack and be happy until you move on to something else.... screw ID and their LIES and ridiculous made-up rules! In fact, if someone wanted to fight this in court, ID would prolly lose. Because they DID NOT disclose any of this in their initial release of 3.0. Edmund made this rule up when people were selling just their 3.0 to others when they didn't need or want it.

Again, they make up the rules, just as they did for the past several years.. including when Edmund was here... I observed. I also seen his remarks

everytime people asked when the update was coming... (like talking to a wall) I don't think they even touched it... because have you seen the update? I am tired of people defending them... for their incompetence. If you like 'em, good for you, but they are not on my christmas card list... and I don't think I am alone in those feelings. If Par

>Hello,

I wish to sell my entire Paris Pro System.

I live in Sydney.

I will more than likely sell it at the price you ask for!

Naturally I am willing to sell off individual parts also.

Thanks.Works GREAT with Cubase SX/Nuendo. It also came with Cubase LE and I'll throw it in of course.

gmmccurdy@hotmail.com4 EDS cards (one the cat five doesn't connect but card works fine otherwise.) if someone buys a bundle i'll probably give the card for free.

2 black face mecs

1 blue face mec

2 black c-16

1 blue c-16

3 black analog 8 in cards

4 black analog 8 out cards4 eds cards (one, the cat five doesn't work but the card works fine connected to another)

2 black face mecs

1 blue face mec

2 black c-16's

1 blue c-16

3 analog input cards (all black face)

4 analog output cards (all black face)Fender is in perfect working condition - tested by our local tech in

December

Has no cabinet or tubes and a knob or two is missing or broken

Would make a great project for someone

Mono Block is in good working condition, a little rough around the edges
cosmetically also checked out by our local tech in December

Best Offer for both

They weigh about 35 lbs each and will ship from Ottawa Ontario Canada K2A3N5
so you can figure out shipping costs

Pics available on request

Looking for best offer

DonWhat year is the super twin?
